# 4-H Membership

## Who Can Join 4-H?

All Ohio 4-H youth development programs are co-ed in nature and are open to both boys and girls. Participation is open to all youth of appropriate ages, on a non-discriminatory basis.

**Eligibility for 4-H Cloverbud Program** begins when a child is in kindergarten and is at least age 5 as of January 1 of the current year. A child is no longer eligible for Cloverbuds when he or she qualifies for the Project Member Program.

**Eligibility for the 4-H Project Member Program** begins when a child is in third grade and is 8 years old as of January 1 of the current year. Any youth age 9 or above is eligible for project membership, regardless of grade level.

Ohio 4-H membership ends December 31 of the year in which an individual reaches the age of 19 years.

## Membership Across County Lines

Youth are required to join the 4-H Program in their county of residence or receive approval ahead of time for membership outside of the county of residence.

- The request for Cross County Membership must be made 30 days prior to the county of the request's 4-H Membership enrollment deadline.
- Cross County membership is not permitted when requested for competitive reasons, such as higher livestock sale prices, less competition in classes, etc.
- 4-H membership in two counties simultaneously is not permitted. Youth must choose one county.
- If a member is approved for cross county membership, and the 4-H Program in their county of residence ceases to exist for financial reasons, the youth's membership will end on December 31st of that year.

## Dual Membership 4-H/FFA

Often older 4-H members are also FFA members, sometimes within the same county and sometimes in an adjacent county. Members may not take the same project in both 4-H and FFA. Separate or different projects must be taken in each organization.

Members may find it easier to take completely different projects (such as two different species of livestock). However, members may take livestock projects of the same species if they take a breeding project in one organization and a market project in the other.

## 4-H Member in Good Standing

Youth must maintain Good Standing status. Below are the requirements to be considered a member in Good Standing:

- Enter and submit 4-H enrollment into 4HOnline by the April 1st enrollment deadline of current year.
- Participate in the appropriate project evaluation. An interview with an advisor will be acceptable for still projects **only** if unable to attend regular judging.
- Do not have an outstanding fee with the Extension Office or 4-H Advisory Committee.
- Exhibit and/or show only in projects in which they are enrolled in the current 4-H year.
- Attend at least half of the club meetings held and be in good standing at the club level. Club and Project Leaders will verify the status of 4-H members in good standing prior to that member entering exhibits or showing at the Fair.
- Any member who does not meet the above requirements or follow the guidelines and rules in this Handbook or the Jr. Fair handbook forfeits their Good Standing status.

If you aren't sure about your status, please check with your Club Leader or the Extension Office.

# Club Organization & Volunteers

## Club Requirements

To remain in good standing, clubs must meet the following expectations each year:

- Complete club enrollment packet by April 1st.
- Have at least 5 members from at least 3 different families enrolled by April 1st.
- Plan and hold a minimum of 6 meetings or activities between February 1st and December 31st.
- Elect an officer team of at least a president, secretary, and treasurer.
- 4-H members carrying riding horse projects must belong to a specialized club. 4-H members with horse projects may take unrelated projects.
- Complete at least 2 educational events each year (ex. Project work sessions, guest speakers, tours, demonstrations).
- The following are the requirements for club treasuries:
  - Each Club will be required to turn in to the office by January 31st the Ohio 4-H Annual Financial Summary complete with signatures and audit information. This is a university requirement.
  - If a club does not adhere to the treasury policy, their club charter will be suspended.
  - NOTE: Each year the OSU Extension Office will file the IRS filings for all clubs.

**PLEASE NOTE:** If a deadline falls on a weekend, the deadline will be the Monday immediately following that weekend. If a deadline falls on a day that the office is closed, the deadline will be at the close of the next business day.

## Individual Club Rules

Clubs are required to adopt a constitution which is provided as a template by Ohio 4-H.

Clubs may also adopt individual rules by creating By-laws to attach to their constitution, provided those rules are not in conflict with state guidelines.

Some examples of rules adopted by individual clubs are:

- Club dues policies
- Maximum number of members
- Types of projects permitted & competition policies
- Attendance policies (see below)

Clubs are not permitted to vote on accepting or not accepting particular members into their club. This is a clear violation of Ohio and National 4-H Council policy.

*Club By Laws (rules) should be provided to every member every year.*

## New Clubs

New clubs may be formed prior to March 1 each year.

Clubs must meet the following requirements, in this order:

- At least 2 adult volunteers must complete volunteer screening, selection, and training.
- Begin the county 4-H Charter process and repeat annually.
- Obtain an EIN number from the IRS (with the assistance of the OSU Extension Office).

## Volunteers

Volunteers are a vital piece to the success of our overall program. The following are guidelines for individuals to become a volunteer in Ottawa County:

- Individual must be 18 years of age or older. Potential volunteers must file the volunteer application, submit to and pass a fingerprint background check, sign a Standards of Behavior form, and return the forms to the Extension Office. The potential volunteer will cover the fingerprinting expense. Once the application has been filed, the Extension Educator, 4-H Youth Development, must interview the potential volunteer, a reference check must be conducted, and volunteer accepted into the program.
- New volunteers must attend 4-H Volunteer Orientation. Volunteers must follow volunteer guidelines listed above prior to establishing a 4-H Club.
- Cloverbud Advisors must also follow the Potential Volunteer Guidelines (#1 and #2).
- New volunteers must start the application process by February 1st.

# 4-H Projects

## Project Books & Resources

Every 4-H project has a designated project book, which includes background information, activities, and instructions for completing your project. These books are designed for the members to write in and complete as they do their project activities.

The only project without books, are the self determined and master projects, which instead have outlines for youth, who then design their own project.

Some projects also require a resource manual, which is designed to be used for as many years as you take the project. These are common for animal projects, but are also available for a few non-animal projects. If your project has a resource manual, it will be noted in the project description.

## Project Level Description

Each project is assigned a project level. See below for a better understanding of what the levels mean.

**Beginner Level** projects are designed for members of any age who have little to no experience in the project area.

**Intermediate Level** projects are designed for those members who have previous experience in the project area, or have completed the beginner level projects.

**Advanced Level** projects are designed for members who have completed the intermediate level projects and/or have extensive experience in the project area.

**4-H** is more than winning ribbons and awards... It's about the PEOPLE, the experiences, and the KIDS becoming tomorrow's LEADERS. Together we are Making the Best Better!

## Frequently Asked Questions

**Can I see the project books ahead of time?**

- Yes. Project books can be viewed at the Extension Office during our normal business hours. It often helps to see the books and read through some of the activities. You may also go to [www.projectcentral.ohio4h.org](http://www.projectcentral.ohio4h.org) to view the project books as well and see reviews from other members who have taken that project before!

**Does a member have to do all of the activities in the project book?**

- Answers for this question vary based on the project. Some projects are designed to be used for a single year and require all activities to be completed. Others are designed for multiple years and require only 1/2 or 1/3 of the activities to be completed each year. This information will be included in the front section of each project book.

**Can I change a project if I decide I don't like it or it's too hard?**

- Members may make changes to their projects through **May 1st** of each year. After May 1st, if a member still wishes to change a project they will not be eligible for awards, state fair participation, or able to exhibit livestock at the fair (if the livestock project was changed).

## Multi-Year Projects

Some project books are designed to be used for more than one year. The first section of each book will note if the project is designed for multiple years. These projects may have 12-15 activities instead of the normal 6-8. Members need to read the instructions at the front of each project book to see how they should decide which activities to do each year.

## Livestock Record Books

Members taking livestock projects must complete a record book for **EACH PROJECT YEAR**. These books must be turned in at the county fair. At this time, there are no electronic options for 4-H project books.

# Project Judging

Project Judging gives members an opportunity to visit with a judge about their project experience. This interview style judging is designed to be a positive experience which teaches youth valuable interview skills, and provides a closure for the project. Judging also serves as a way for youth to be rewarded for their project work through letter grades, placings, state fair participation opportunities, and other project awards.

## Pre-Fair Judging

All non-livestock projects are evaluated at Pre-Fair Judging in July. Food and Nutrition and Clothing, Companion Animals and Dog projects are judged on July 8 and all other still projects are judged on July 9 at the Ottawa County Fairgrounds. Look for the Summer Newsletter for more information on judging times.

## Make Up Judging

If a member cannot attend the regular pre-fair judging, they can schedule an appointment for Early Judging or can be judged by the club advisor.

- Early Pre-Fair Judging will take place at the Extension Office on June 10 and July 1. (You must make a reservation for this option) Members who choose this option **are eligible** for county/state awards.
- Advisor Judging will take place anytime until September 1st. Members who choose this option are not eligible for county/state awards.

## Group Projects

Group projects may be taken by two (2) or more members. This allows the members to work on the activities together. The members must decide whether to be judged as a group or be judged individually. Taking projects as a group is non-competitive and is for completion only. A Group taking a project should complete one book, and there is no need to register for the project in 4HOnline. Contact the Extension office for more information on group projects.

## Attire

Members are asked to dress in school appropriate clothing. Dresses or dress pants, nice jeans and longer shorts are acceptable, paired with nice shirts, blouses, or club polos.

Tank Tops, t-shirts, ripped clothing and flip-flops are *not acceptable*.

## State Fair

Members are selected by judges, at the judges' discretion, for state fair by member participation at the county pre-fair judging. Criteria is different for each project area and not all projects are eligible for the state fair regardless of the number of entries. Check the project requirements for further information.

# Grading System

# Pre-Fair & Miscellaneous Projects

Listed below you will find the grading system for pre-fair and miscellaneous projects. We hope this will allow more opportunities to give exhibitors extra recognition when they need encouragement and hope they would try again.

**Superior (Dark Purple Ribbon):** Exhibitor who went above and beyond the project requirements. They had superior knowledge of project and developed an extensive exhibit.

**Outstanding (Light Purple Ribbon):** Exhibitor who met all project requirements. They had basic knowledge of subject matter and a nice exhibit.

**Good (Green Ribbon):** Exhibitor who only met some project requirements. They need more project knowledge and more extensive exhibit.

**Needs Improvement (Light Green Ribbon):** Exhibitor did not meet project requirements.

When selecting award winners, the judges will start with the Superior ratings then move onto Outstanding members. (The state sets the which category a project is part of. Categories for awards may vary year to year depending on project enrollment numbers.

## Skill-a-Thon Grading

The exhibitors score will be given the day of skill-a-thon judging. A score of superior, outstanding, good, or needs improvement will be given. A test out score is superior. Age groups:

Beginner is ages 10 & under

Intermediate is ages 11-13

Senior is ages 14 & over

For the following ages, even if you test out, you have to take skill-a-thon again: 11 & 14.

# Fair Resources

## Special Rules for Livestock Projects

**Livestock Quality Assurance** - Every member taking livestock (not horses) must attend a county-wide quality assurance training, unless they have previously tested out of their age bracket. There are four options for completing quality assurance training: **(Which must be completed by May 1<sup>st</sup>)**

1. Attend one of the trainings offered in Ottawa County (3/12, 3/16, 4/13, 4/21)
2. Attend a qualified QA training in another Ohio county
3. Attend a qualified QA training at an Ohio 4-H approved event (Poultry Clinic, Beef Expo, etc).
4. Testing Out (*Members age 15 and older may test out by taking the state quality assurance test and scoring at least 70%*)

**Project Book Requirement** - Members must submit a completed record book for each project animal being exhibited at the fair. Books are due Saturday, July 13 and turned in at Skillathon. (If a member tested out the year before, they must turn their book in at skillathon)

**Junior Fair Livestock Entries** - Jr. Fair entries (along with entry fees) need to be completed through Blue Ribbon online entry program. Instructions are located on our website and in the Jr. Fair Handbook, along with a link to the entry site. This is a requirement for all animals being exhibited at the fair and are due on June 1<sup>st</sup>. If not completed by June 1<sup>st</sup>, a \$50.00 penalty fee per youth will be added. After June 8th, no late entries will be accepted and livestock will not be permitted to exhibit at the Ottawa County Fair.

**Specific Project Requirements** - Most livestock projects have additional requirements such as possession dates, tagging/identification, weight limits, age, breeds, etc. These requirements can be found in the project descriptions in the Jr. Fair Handbook. Please note that underweight and overweight animals are handled differently for each species.

**Drug Use Notification Form (DUNF)** - DUNF are required for all market animals (not needed for breeding stock). This an electronic form and proof of submission will be required when moving animals into the fair.

**County Fair Requirements** - Each livestock committee has “barn rules” in place at the county fair. Please refer to the Jr. Fair Handbook for these details.

**Skillathon**—Members will be required to participate in skillathon for each species they exhibit, unless they have tested out of the age division.
